## ASHVILLE APPLICATION FOR WATER & SEWER SERVICES

To the Village of Ashville Ohio:

The undersigned being the \_\_\_\_\_ of the property located at

(Owner, owners, Agent)

\_\_\_\_\_ does hereby request a permit to install and connect a

\_\_\_\_\_ (number and street)

sewer capacity tap to serve the  Residence  Commercial Building

Water  Sewer

In consideration of granting this permit, the undersigned agrees:

1. To accept and abide by all the provisions as set forth by the Village of Ashville, and all regulations that may be adopted in the future.
2. To maintain the water line from the curb stop to the residence at no expense to the Village of Ashville.
3. To notify the Village of Ashville when the building sewer is ready for inspection and connection to the public sewer, but before any portion of the sewer line is covered.
4. **If the property for which this application is made is located outside the Village of Ashville, the undersigned agrees to seek annexation to the Village. For a property located outside the Village, by signing the Capacity Fee application the applicant agrees, upon request, to initiate at their expense, proceedings to annex the property to the Village and to prosecute such proceedings, applicant agrees to pay for the costs of the annexation proceeding, the costs thereof to be collected in the same manner and with the same remedies available for the collection of water or wastewater services. Further, the applicant agrees that, if such annexation is opposed, the Village may discontinue water and/or wastewater services without further notice or due process**
5. **If the property for which this is made is located outside the Village of Ashville, sewer rates will be at the outside-of-Village rates.**
